Continuation of 2. NOTE: The amendment sets forth much more precise and narrow limitation in terms of the range of surfactant concentrations, and thus requires at least new consideration and/or new search.

Continuation of 5. does NOT place the application in condition for allowance because: the new limitation of at least 0.05% by weight of a surfactant based on a monomer would require new supporting document, and because the request for reconsideration is partially based on the amendment that has not been entered. .

With regard to Applicants request foir reinstatement of claims 26, 30-35, Applicants attention is drawn to MPEP, 818.02© "818.02(c) By Optional Cancellation of Claims

Where applicant is claiming two or more inventions (which may be species or various types of related inventions) and as a result of action on the claims, he or she cancels the claims to one or more of such inventions, leaving claims to one invention, and such claims are acted upon by the examiner, the claimed invention thus acted upon is elected." This is the situation with Applicants species of cobalt complexes that were initially cancelled and only claimes directed to dimers were acted upon.
